

INDUSTRY-LEADING SAFETY CABINETS

America's choice for the storage of flammables and Other Liquids

Since 1967 these storage cabinets have been setting the pace for safety storage cabinets. A state-of-the-art production facility and creation of this new cabinet design incorporates many new convenience and safety features. Cabinets are now available from 4 gallons to 120 gallons with many sizes in between to meet your needs. Engineering staff work constantly to develop new cabinets to meet the ever changing needs of today's business, industry and laboratories.

We invite you to look at the many types of cabinets in these pages.
