

## MIGHTY MINI OIL SKIMMER

**SKIM OILS OFF SUMPS, PARTS WASHERS OR DRUMS  
SKIMS 1 To 2 Gallons Per Hour**

The ideal solution to unwanted oil in coolants and parts washers therefore extending the life of cooling and wash water! The Mighty Mini SST can remove 1 to 2 gallons of medium weight oil per hour (depending on belt selection). The Mighty Mini SST is designed to minimize water content in the disposed oil

Fits underneath most CNC machines as well as inside parts washers. The Mighty Mini SST will fit into the bung hole of a 55 gallon drum. Belts are available for most applications in lengths of 6, 12, 18 and 24 inches.

At only 8 pounds, the highly versatile Mighty Mini SST offers easy installation.

The Mighty Mini SST is designed to minimize water content in the skimmed oil, especially when used with the optional oil concentrator.

## FEATURES

- Integrated 24 hour timer. Fan Cooled Motor
- Belts available 1" and 2" wide; materials specifically selected for your application ( see Belt Selection guide)
- Both sides of belt are wiped. 3 ft. hose & clamp std.
- Chip resistant, powder coated finish
- Spring loaded stabilizer bar
- Stainless steel construction

## ADVANTAGES

- Smallest and lightest in our skimmer lineup
- Easily carried to the work area
- Removes oil at rates up to 2 gallons per hour
- Designed for tank depths from 6" to 24"
- Belt/Pulley fit into a 2" bung on a waste drum
