CUSTOM SPILL KITS

If you don't see a Spill Kit that meets your needs, or the size you need, we'll build one for you! You can choose the container you want and fill it with the contents you need – right down to the last item! Just tell us what you want and we will do the rest.

There's no upcharge for this service, so take advantage of this easy way to customize your spill response plan. Order exactly what you want and avoid paying for sorbents or PPE that you don't really need. Customize your Kit today ... and don't forget the accessories!
